

**Authors' commitment and conflict of interests form**

1. Commitment for paper authenticity

To: The editor of "**Afghanistan Journal of Infectious Diseases**"

I/We, the undersigned, announce that the following paper titled as:

1. Has not been published in any other media (journal, conference, etc.); 2. It has not been sent to different journals simultaneously; 3. The paper is not a copy of another paper and it is the outcome of authors' own research and that all resources used in the paper have been mentioned completely in the reference section. All authors hereby guarantee that they are all aware of the content, number and order of the authors and that they are in agreement with the selection of the corresponding author.
2. Confirming the observation of ethical principles; authors guarantee that they have observed the ethical principles mentioned in the journal's guideline (based on COPE) and in case any misconduct is detected, the right is reserved for the journal to remove the paper even if it is published.
3. Publication agreement (Copyright); since the "Development and Management Process" is an open access journal, authors hereby agree on the rules and regulations set by the journal and reserve the right for the readers to use the content of the paper by making proper references to it.
4. Announcing lack of conflict of interests; authors announce that in doing this research, there have been no conflict of interests and their personal interests have not impacted the research process in any way.

**The names and order of authors is as follows:**

No	First Name and Last Name	Affiliation	Signed
1			
2			
3			
4			
5			
6			
7			
8			

The order of the authors and their signatures are confirmed. Name & surname, phone number and email address of the corresponding author

The order of the authors and the information provided in the table cannot be changed and will be inserted in the paper as it is. After this form is submitted, any addition or deletion to the numbers of the authors is forbidden.

## Conflict of interest form

This form is a type of contract/agreement based on which the authors of the paper announce that they are fully aware of the ethical principles and that they have abstained from any sort of misconduct including plagiarism, fabrication or dual publication and no commercial interests have been taken into account, and that they have not been paid in return for their paper. The conflict of interests form shows how the content of the paper has been prepared and presented.

The corresponding author signs this form on behalf of all the authors and confirms the authenticity of the paper's content. The corresponding author also confirms that this paper has not been published elsewhere and has not been submitted to different journals simultaneously. Also he/she gives the right to the publisher to use the content, tables, pictures ... of the paper.
